

## Outdoor Adventure Expo Exhibitor Selling Agreement

1. No merchandise may be sold by exhibitors without the approval in writing of Midwest Mountaineering. It is unlikely that Midwest Mountaineering will allow the sale of merchandise that directly competes with our own.
2. Exhibitors who wish to sell from their booth must:
  - a. Complete and sign this form.
  - b. Pay either double booth fees or 15% of the total sales from the event weekend. This amount is payable in full at 5:00 p.m. Sunday at the close of the event.
3. Condition #2 may be waived if the item(s) being sold are intended to generate funds for a non-profit organization and are limited to a logo t-shirt, mug or poster, etc. Exhibitors falling into this category must still seek written approval from Midwest Mountaineering and complete this form.
4. All exhibitors, no matter what they are selling, are responsible for all sales transactions involving their merchandise. This includes collecting all applicable city, county, and state sales taxes.
5. For security reasons, all merchandise must be placed in paper bags, stapled shut at your booth, with a numbered and itemized receipt stapled to the outside of the bag. Exhibitors must supply all bags, stapler, staples and numbered receipts.

I have read the above and I understand and agree to these terms. By signing this form, I acknowledge that I am a current representative of the below organization and assume all responsibilities for fees incurred.
